

# Consistent. Reliable. Driven.

S2 **customer-centric solutions** deliver consistently reliable services to federal civilian and defense agencies supporting 24/7 global operations.

With an observant eye, S2 recognizes that attention to detail is critical to ensuring the Integrity of operations, and Quality of service delivery. S2 Leadership understands the importance of mission and program success and the skillsets that enable successful outcomes. Critical to our success are the Partnerships we have developed to deliver urgent, emergent, cutting edge solutions when and where our customers need them most.

Headquartered in Smithfield, NC, S2 Leadership have been supporting the global C4ISR mission for nearly 20 years, and federal civilian agencies for more than 10 years.
